Special Amendment No. 3	11/14/18	2018R0039109

The Community Declaration is currently recorded with respect to the real estate legally described in Exhibit A hereto.

It has come to the attention of the Declarant that, contrary to the Declarant's intent, Section 8.05 of the Declaration contained a prohibition against fishing when the Declaration was initially Recorded. It was always the Declarant's intent that, what is commonly referred to as "catch and release" fishing would be permitted. Declarant desires, once again, to exercise the right and power reserved in Section 11.01 to correct Section 8.05 to reflect that catch and release fishing shall be permitted on the Community Area.

NOW, THEREFORE, for the reasons set forth above, Declarant does hereby amend the Community Declaration as follows:

1. Terms. All capitalized terms used herein, if not otherwise defined herein, shall have the meanings set forth in the Community Declaration.

2. Amendment of Section 8.05. Section 8.05 of the Community Declaration is hereby amended and restated to be and read, in its entirety, as follows:

"8.05 PROSCRIBED ACTIVITIES: No noxious or offensive activity shall be carried on in the Community Area nor shall anything be done therein, either willfully or negligently, which may be or become an unreasonable annoyance or nuisance to the Residents. There shall be no swimming, fishing (except as specifically provided in the following sentence), boating, ice skating or use of personal flotation devices in or on any lake or detention area on the Community Area, it being intended that, except as specifically provided in the following sentence, such areas shall be aesthetic amenities only and shall not be used for active recreational purposes. Notwithstanding the foregoing, what is commonly referred to as "catch and release" fishing shall be permitted in areas designated for such use by the Board. Ice fishing is strictly prohibited."

3. Covenants to Run with Land. The covenants, conditions, restrictions, and easements contained in the Community Declaration, as amended by this Special Amendment, shall run with and bind the Premises.

4. Continuation. As expressly hereby amended, the Community Declaration shall continue in full force and effect in accordance with its terms.

Dated November 5, 2018.
